

Mercury Collection Program

The Missouri Department of Natural Resources in conjunction with the Stone County Health Department, will be accepting *mercury* thermometers, thermostats, and other mercury related items (no CFL light bulbs) provided by private citizens and non-profit agencies.

Prior to delivery, items *must* be in a doubled up in a zip top bag and placed in an enclosed/sealed container.

Please contact the agency below before dropping off the items at the scheduled times listed below.

Stone County Health Department
North Office : 109 E. 4th St., Galena, Missouri
Phone # 417-357-8200
